Thank you for being a part of the 21st Annual Living History Day! This is a **free** public event and is held **rain-or-shine**. To reflect a positive image for both our past and present military forces, we request that all participants adhere to the following expectations:

1. Please arrive and have set-up completed no later than 8:45 am on the day of the event.
2. **Please do not begin teardown of displays until after 3:30 pm.**
3. Drivers must present a valid Driver's License to enter Camp Withycombe. All adults must present a valid form of identification. Those without valid ID may be declined entry.
4. Participants are expected to provide their own drip pans and absorbent materials.
5. **Firearms brought onto Camp Withycombe must have the bolt open and locked to the rear.** To enter post, place a zip-tie through the magazine well or have a nylon cord extend from the bolt through the barrel. These may be removed for display.
6. **If any demonstration of your equipment will produce a loud noise, please coordinate FIRST with Tracy Thoennes, museum curator, at 530-683-5359.**
7. We encourage you to promote visitors' understanding of your display. Strive for authenticity in uniforms, equipment, living conditions, and for objectivity in presenting historical information to the public.
8. Participants are expected to act in a mature, professional manner. Be patient, polite, and courteous with the public and fellow participants.
9. Display areas are only for display vehicles, tables, etc. Additional parking is available on-site for personal vehicles.
10. **Cancellations are requested by May 17th to the above point of contacts.**

Again, thank you for participating in Living History Day! Your enthusiasm, knowledge, and dedication really make this event memorable, educational, and fun for all ages.
